create a quiz and display a leader's board

## Increase satisfaction

An involved audience will remember your meeting

## Use it in all kind of meetings

from 10 to 5000 people

Compatible with:

## Get LIVE instant feedback!

PowerVote is a real-time voting solution that allows its users to survey the participants of an assembly by asking them questions and collecting their answers thanks to individual voting keypads.

Fully integrated into PowerPoint, the results are graphically displayed instantaneously, rendering the meeting interactive! PowerVote constitutes a tool perfectly suited to education and professional training, as well as to marketing, communication and events-planning operations.

## Software

Totally integrated into MS PowerPoint with its own tool bar in the interface, PowerVote Quizz transforms your slides...

**MS PowerPoint becomes interactive:**

- Enter your questionnaire directly in the slides,
- Go on slideshow, open the vote and display the results live
- Your results are then saved and stored in your presentation and MS Excel.
- PowerVote Quizz contains tutorials for self-training to learn how to use it in minutes.

## Offers

### Purchase your own voting system

You regularly hold meetings of 10 to over 50 participants? With PowerVote, you easily render your PowerPoint presentations interactive.

PowerVote System is the complete voting solution that allows you to make the most of your interactive meeting, by meeting your specific needs:

- From 10 to over 100 individual voting keypads.
- A USB vote receiver.
- The PowerVote Quizz Add-In for PowerPoint.

### Order a turnkey PowerVote service

You are organising a meeting or a series of meeting and want to use a voting system, but do not have the time or staff to manage it? Let us help you with our complete PowerVote services, including the graphic creation, integration and programming of your questions, as well as the on-site assistance of a PowerVote operator during your meeting. We take care of everything!

### Hire additional voting keypads

You already have a PowerVote system, but you occasionally need additional voting keypads? We offer you the possibility of hiring additional keypads at a reduced rate. We have a stock of over 10,000 voting keypads available for hire and are able to organise a courier delivery to any destination.

### Bespoke, estimate-based offers

PowerVote is a solution that also adapts to your specific needs! Would you like to benefit from our Internet offer (vote management via a Web server) or our team games? Tell us your needs and we will offer you a bespoke solution. Request an estimate, or call 0845 299 0289. See the details of our Internet and Games offers.
